

# GET PRODUCTS TO MARKET FAST! PRACTICES THAT BOOST TEAM PERFORMANCE AND REDUCE CYCLE TIME BY 50% WITH DR. STEVEN B. WOLFF

## FEATURED PROGRAMS

When you want to succeed over your competition, there are **four things that you need to do:**

- **Reduce time to market**
- Attract and retain top talent
- Generate **innovative ideas** that disrupt the status quo and increase customer satisfaction
- **Eliminate endless firefighting** and political infighting

Dr. Steven B. Wolff is the Team Emotional Intelligence Expert who will **transform your teams into highly collaborative powerhouses that will help position your organization as the market leader.**

He'll help you understand how to overcome the team dynamics that slow your speed to market and adjust the internal culture your teams work with every day... so **productivity doubles and cycle time is cut in half.** And what's more – your **organization's culture will foster innovation** as well as **attract and retain the top talent** in your field.

### Leading For Speed In The Digital Age.

As our world shifts from the Industrial Age to the Digital Age, this program will help you use speed as your critical competitive advantage. Your audience will discover:

- The shifts in **Leadership practices and mindsets critical to success in the Digital Age.**
- The elements of success in creating momentum and **speed to market** for all of your projects.
- How to **set individuals free and remove obstacles in the way of progress.**
- How to create an engaging culture that can **attract and retain the best talent.**

**STEVEN WOLFF**  
Agility | Speed | Innovation

## Superteams for the Digital Age: Team Emotional Intelligence on Steroids

Inspired Teams™ rely on detailed team emotional intelligence data to work faster, collaborate better, and communicate without friction. It's a recipe for speed and innovation that will transform your ability to produce. Your audience will discover:

- How seeing your team as a system gives you different, and more effective, leverage points for changing behavior and team performance.
- How to use emotion to create an Inspired Team culture that:
  - ✓ Opens the team to new possibilities so it can create **breakthroughs**
  - ✓ Accesses the **full capability** of all team members
  - ✓ Creates a commitment to results and **eliminates waste**
  - ✓ Supports **authentic conversations** and continuous improvement

## Creating Breakthrough Performance

This program is designed to show you how to go beyond the day-to-day high performance that you expect... and to achieve **significantly improved outcomes**. Your audience will discover:

- A change in mindset along with an understanding of how conversations create reality and **set the stage for creating breakthroughs**.
- How to leverage Inspired Teams™ as a way to create a culture that facilitates the breakthrough practices.
- A real-life example of how breakthrough performance led Steven's team to deliver products ahead of the aggressive schedule set... and how you can see these same results within your organization.
